The Big Ambition

Rachel da Souza, the Children's Commissioner for England, launched the Big Ambition last year as a way to gather the views of children and young people. This is an opportunity for every child in England to share their views with policy makers ahead of the General Election. So far, more than 300,000 children, young people, parents and carers have participated, making it one of the largest surveys of its kind.

If you haven't already completed this survey and would like to do so children and parents or carers can complete the survey here: www.childrenscommissioner.gov.uk/thebigambition

The survey closes on **Friday 19th January.**
