#### Late arrivals

Please remember that school starts at 8.50; children who are not in school by this time will be marked as late. Learning starts immediately with no time wasted – this is particularly important for those children receiving additional provision and interventions. The minutes lost to lateness soon add up; it also puts your child on the wrong footing for the rest of the day. The school doors open at 8.40am to allow children to get into school and to their classes in good time – please aim to have your child at school by 8.45am at the latest.

#### Open Evening: Wednesday 21<sup>st</sup> February 6 – 7.30pm

Our annual open evening will take place after half term. This will be an opportunity to visit your child's classroom and to see their learning as well as visit other parts of the school including our library, music room, computer suite and outdoor learning spaces. The School kitchen will also be open for a tasting session.

#### Lost Property

Lost property will be out on display from the morning of Monday 5<sup>th</sup> February, until the morning of Friday 9<sup>th</sup> February 2024. All items not collected will be passed to a clothing bank.
